Description	The Look of Fabric. The Sound of Zintra.
	Zintra Textile collection redefines PET acoustics with the rich texture of woven materials and bold, market-fresh colorways. Designed to rival traditional fabric solutions, this innovative collection introduces 19 striking Pantone-matched colourways, from quiet neutrals to vibrant juxtaposed tones. The palette has been curated to complement contemporary spaces while 4 distinct designs offer new opportunities for creative expression.

A refined transparent print effect mimics the intricacy of real textile weaves, allowing the PET base to subtly shine through. The result is a fabric-like aesthetic with all the acoustic performance Zintra is known for—lightweight, low-VOC, and endlessly versatile.

This collection features four distinctive designs: Braid, Burlap, Herring and Loom. Each brings a unique tactile quality and visual rhythm, offering designers versatile options for creating thoughtful, textured spaces.

Braid is inspired by the artistry of braided textiles, featuring soft-edged diamond motifs and delicate knot-like details. This intricate pattern adds subtle movement and handcrafted refinement to the surface.

Burlap offers a refined take on textured linen, with a soft, organic aesthetic and a subtle woven character. Natural irregularities and tactile depth evoke the warmth of handcrafted fabric.

Herring reimagines the classic herringbone with rhythmic chevron detailing and a richly textured surface. Its structured geometry brings timeless elegance and architectural definition.

Loom reflects a more contemporary sensibility, drawing on the linear rhythm and spacing found in traditional weaving. Its minimalist texture creates a sense of movement and balance.

Zintra Textile designs bring flexibility, offered in both portrait and landscape orientations. Perfect for workplace, education, retail, or hospitality settings—where sound control meets design intent.

Textile-inspired. Performance-driven.

Composition	Zintra Acoustic Panel - 95% Polyester + 5% PLA
	12mm (1/2") -Density 2.4 kg /m² 0.5 lb/ft133

| Dimensions	2800mm (110")x 1225mm (48") x 12mm (1/2")

Fire Rating	ASTM-E84 – Class A classification AS ISO 9705 – 2003 – Group 1 classification EN-13501 – B-s2-d0 classification
Supplied As	Flat Panel in selected design and colour
Assembly & Delivery	Ships Flat Packed. Go to the Technical Documents and download the Installation Guide for more details.
Suggested Installation	Go to Technical Documents and download the Installation Guide for more details.
Care Instructions	Vacuum to remove dust. Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth. For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry. Always test in an inconspicuous area first and if you don't see the expected results, contact us.
Warranty	5-year warranty. Visit **baresque.com.au/warranty** for complete details.
Customisable	The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.
Additional Comments	Directly Mounted 0.45 | With 2" (50mm) air gap 0.85 | With 6" (152mm) air gap 0.90
How to Specify	1. Select Design 2. Select Zintra Colour **Print colour is prematched to the base substrate.
