---

## Suggested Installation

Supplied flat-packed for wall applications, including beam clips for assembly and direct fix. For ceiling applications, panels are pre-glued and include ASK's for suspension installation.

Download the Handling and Installation guide for full instructions.

---

## Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

---

## Warranty

5-year warranty. Visit [baresque.com.au/warranty](https://baresque.com.au/warranty) for complete details.

---

## Customisable

The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.
